## WHY ADVERTISE IN A YEARBOOK?

Few books are as treasured as a high school yearbook. Spanish Springs High School has one of the largest student body populations in the district. Not only that but the parent and community support is second to none. Your ad is guaranteed to be seen by thousands of people in the community, many times over. The money you donate to our program will ensure that students can continue to receive experience with skills necessary to be successful in the 21<sup>st</sup> century workforce.
